WORK BACKGROUND

She was a contributor in Peru to the Spanish newspaper El País from 2012 to 2022, and an external researcher at the Faculty of Literature and European Culture at the University of Groningen (Netherlands) between 2018 and 2019.

Author of the book Mechanisms of Post-Truth (Fondo de Cultura Económica, Lima: 2017, 2nd ed. 2018) on disinformation and terrorism related to social conflicts, the indigenous population, and electoral campaigns.

She chaired the Foreign Press Association in Peru (APEP) in 2018 and served on the institution's board of directors for several terms.

She was a field researcher on human rights and anti-personnel mines from 2002 to 2004 in Peru for Landmine Monitor.

Worked as a correspondent for the Mexican newspaper Reforma in Peru (2000-2004) and Brazil (2004-2005). In 2000, the Friedrich Ebert Foundation published her book "Addition and Subtraction of Reality: Media and the 2000 General Elections in Peru". She was also a journalist for the Peruvian newspapers El Comercio and Perú.21 some decades ago.
